

In 1950, Hannah Walvoord moved to the newly opened Pine Haven Christian Home and found comfort from a caring staff in an inviting facility. We continue that tradition today, and with visionary plans for the future intend to be the place to call home for seniors who want to experience the serenity of quality, compassionate, Christ-centered care.

Through the generous support of past donors, we have been able to continually enhance the lifestyles of our residents, whether through construction improvements to their physical surroundings at Pine Haven, or through social activities and programs that keep residents involved and excited about their health and well-being.

Contributions from future donors will allow us to build on this legacy. We offer in this brochure an outline of the most commonly used opportunities for donating to Pine Haven.

Our core values center on Christian principles: stewardship, caring, respect for the individual, and gratitude. We appreciate all gifts and pledge to utilize them to enhance the lives of the those in our care. You have the ability to continue the tradition of quality, compassionate care and ensure that future generations are treated with respect and dignity through your contributions.
