*We encourage you* to make your room a new home by adding your own dresser, favorite chair, wall hangings, and other special items that keep you comfortable. We offer both private and semi-private rooms.

*Our mission is to provide those we serve an environment that is a Christ-centered, safe haven offering quality, compassionate care.*

### *Rich in History*

Pine Haven began in 1950. Continuous expansion has resulted in our current size of 71 beds. We also offer 136 rooms in our Residential Center wings. Pine Haven is a fully licensed, skilled nursing facility that is Medicare and Medicaid approved. We are affiliated with eighteen local churches.

### *Special Services with You in Mind*

The Corner Store carries personal care items, gifts, candy, cards, handmade crafts and seasonal merchandise. A variety of weekly religious services is available. We have a notary public on staff, and every Friday morning one of the local banks sends a representative to take care of any financial matters you may have.

The beauty salon is open six days a week. One day each week a barber visits as well. Many of our residents enjoy the opportunity to have a shampoo and style every week.

### *Skilled Staff Who Genuinely Care*

When you have made the decision to live in a skilled care facility you want to be assured that you will receive the best care. We pride ourselves on our staff to residents ratio which exceeds the national regulation; thus providing the best attention to your needs. You will see a familiar face every day because many of our staff have been with us for a long time.

### *Welcoming Atmosphere*

When you enter our doors you will find a cozy sitting area complete with potted plants, TV, aquarium, beautiful framed prints, and an aviary with a variety of interesting birds. This inviting area serves as a place for you to relax and watch the fish, birds or people. Usually you'll find a puzzle or other on-going activity you might enjoy being a part of. Another benefit of this area is the nearby nurse's station so visitors will always know how to find you.

### *Concerned Rehabilitation Services and a Variety of Activities*

Our on-site team of rehabilitation specialists assures your custom therapy plan keeps you at the highest level of independence.

Many of the members of the congregations that support Pine Haven present entertainment and special programs. You might enjoy a hymn sing, having your hands pampered, coffee time, a Bible study, movies, or a nice conversation to reminisce.
