CHRISTIAN HOME

Residential Center

Our mission is to provide those we serve an environment that is a Christ-centered, safe haven offering quality, compassionate care.

A Rich History

Pine Haven began in 1950 as a nursing home, and in 1992 an expansion allowed us to include 136 residential rooms. We currently have 71 beds in our Nursing Home wings. We are supported by a variety of local churches.

Special Services with You in Mind

With all of the services we offer within Pine Haven, you can remain independent without having to venture out. The Corner Store offers personal care items, gifts, candy, cards, hand-made crafts and seasonal merchandise. A variety of weekly religious services take place at Pine Haven. The beauty shop is open six days a week. We have a complete laundry facility so you can do your own or enjoy having your laundry done by a service. We have a notary public on staff, and every Friday morning one of the local banks sends a representative to take care of any financial matters you may have.

Lots of Activities to Enjoy

You might choose to visit with other residents or entertain your guests in the patio area. From spring to fall many people enjoy watching birds, flowers, and being in the fresh outdoor air.

You can choose when and what you would like to be involved with since each day we offer a variety of activities. Some of the most popular include the hymn sing, coffee time which is a great way to catch up with friends, bean bag toss, Bingo, Bible study, musical and other entertainment, and the once-a-month special movie.

A Facility with Many Amenities

Each of the two dining rooms has an appealing design that makes it warm and inviting for dining and special events like ice cream socials, coffee time, and the monthly birthday party. The dining room you will visit is closest to your room for your convenience.

While our dietary staff makes certain you enjoy three nutritionally balanced meals a day, our entree selection menu leaves you in charge of what you'd like.

Staff Available When You Need Them

While we understand you'd like to remain as independent as possible, you might appreciate the peace-of-mind knowing that Pine Haven has skilled nursing staff available around the clock. Our on-site team of rehabilitation specialists assure your custom therapy plan keeps you active. Some of our residents have hospice service come in. We work with you through our extra care levels to accommodate the services you may need.

One of the favorite places for our residents is the day room where they can entertain family and friends, join other residents in planned activities, enjoy a good book or puzzle, or quietly meditate. In addition, we have three other larger rooms that serve as both dining areas and host a variety of activities and entertainment. One of these rooms features a library.
